Men's Conference 2018

We praise the Lord for the preaching of Dr. Bob Shaw. Brother Shaw reminded us from God's word that we are in a war that will not be over until we leave this world. The enemy is subtle and will defeat us through any weak area in our spiritual life. We must die daily to the flesh and be in the Word and Prayer and walk by faith. He also challenged the husbands to love their wives and be a spiritual leader to their wife and children. There were about 90 men that attended and several decisions.

Thank you Pastor Weesner and the men of Calvary Baptist Geneva for hosting the conference. The fellowship was great and the food exceptional. We left the conference spiritually challenged and well feed.
