

Our special speaker is Mrs. Claudia Barba. She has ministered along side her husband, Dr. Dave Barba for 45 years!

Until 2001, Claudia was a pastor's wife and an evangelist's wife. In 2001, the Barbas began the Press On! Ministries. This ministry helps with all stages of church planting and growth.

The Barbas live on the road full-time in a 5th-wheel trailer. They usually spend 6 months assisting each church planter, using *The Phone's for You* as a tool to find prospects. After the first service, they help with follow-up visitation, music, children's ministry, personal soul-winning and discipleship, land search, etc.

When their schedule allows, they also assist established churches that are stalled in growth and outreach ministry. The Barba's home church/mission board is Burge Terrace Baptist Church in Indianapolis. They have three children and five grandchildren.
